W E L C O M E

In presenting our Annual Fall Show and Sale at the Michigan State University Pavilion in East Lansing on October 26, 1963, the Michigan Shorthorn Association cordially invites you to attend and participate in the activities.

The cattle in this Show and Sale have been hand-picked from some of Michigan's finest herds. The quality this year is outstanding. The steers offered should prove excellent for 4-H and F.F.A. work. A number of the bulls are ready to go right to work in your herd structure.

We are sure you will find the time and effort made in attending very well spent.

We are looking forward to seeing you. Come early, inspect the cattle, and visit with your friends in the association.

THE SALES COMMITTEE.
